

# INOX STEEL TECHNICAL

Inox Machinery Manufacturers For Food & Milk Industries

## Close type (Horizontal) milk cooling tanks

I.S.T. line.  
A8

Complete stainless steel construction AISI304 compliant with milk cooling standards EN13732. Full welded outer shell with thick insulation made of environmentally safe by injection polyurethane foam (no CFCs).

Condensing units with variable fan speed to ensure no milk freezing. Compressors with excellent cooling performance, silence, reliability and energy saving with multi-refrigerant capability R404A, R407, R134a.

High burst pressure evaporators welded by latest technology machines.
